What I have liked most about Rowland Hall is the iPads. It's awesome that we can have technology put into our hands to learn in a fun way.

- Cole Topham

My favorite memory of a Rowland Hall field trip was the bug sucking field trip in 2nd grade. I thought it was really gross at first, but turned out to be really fun!

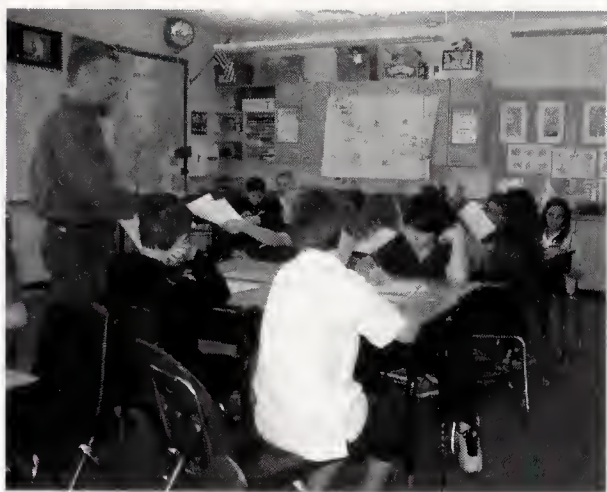

- Jack Smith

What I love most about Rowland Hall is how everyone is like a family. We may argue, but we help each other too.

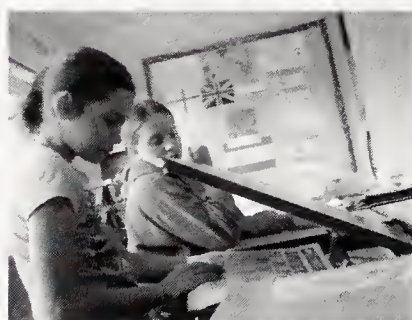

- Aditi Krishnan

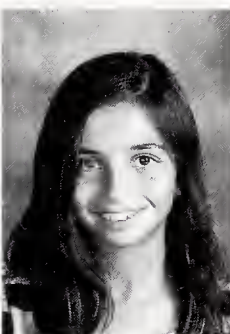

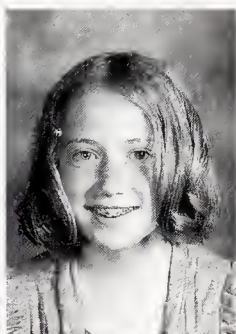

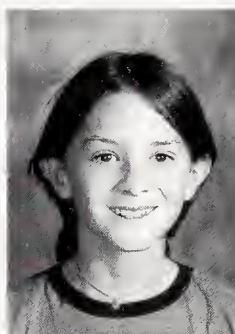

I love that we get to make our own websites and write about the activities we like. - Joe McDaniel

My favorite field trip was helping out at the Food Bank. It was great looking around and seeing so many people happily serving others. - KatieRose Kimball

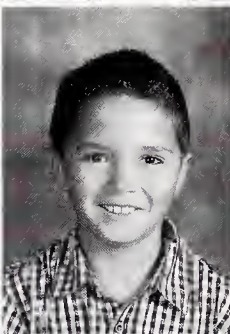

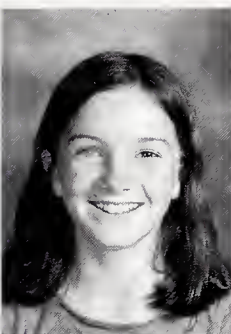

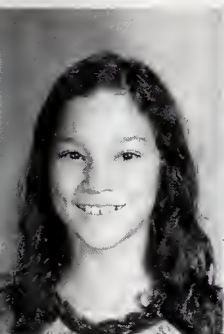

I am most looking forward to the great teachers and education at the Middle School. I also hear they have a great lunch! - Sophia Chandramoulis

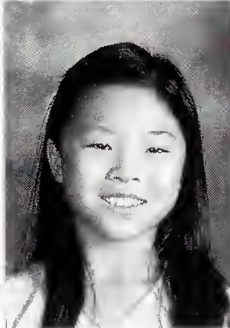

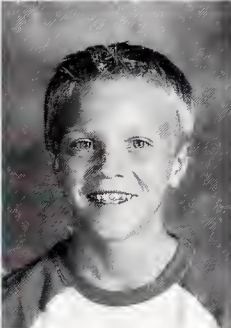

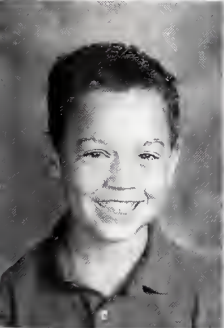

A message to future 5th graders: Don't be afraid about the homework. It isn't that hard. - Grace Macintyre

What I like most about Rowland Hall is that you can participate in class and you can learn a lot more because of that. - Atticus Hickman

My favorite memory of a Rowland Hall field trip is going to the Utah Food Bank. I love to help out! Seeing all of my friends help out too was a moment I will never forget. This is a great school, and I will always remember it because of the fun and cherishable moments. - Allison Perrin

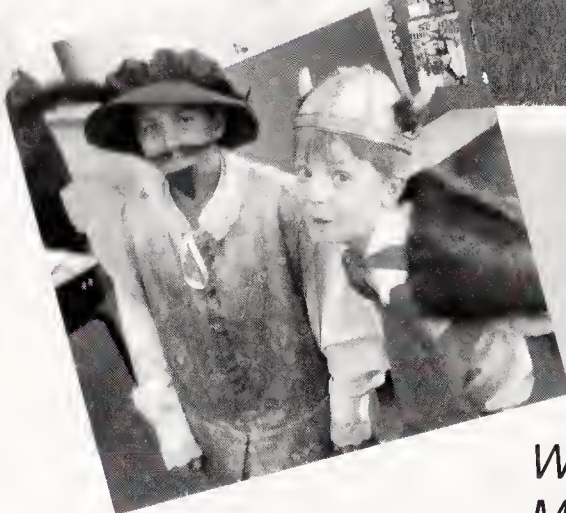

I love this school so much that I hope to become a teacher here when I grow up. - Claire Hyde

What I like most about Rowland Hall is all the great teachers. They really make an effort to help us with our challenges and strengths. - Lucy Putman

Words of advice to future 5th graders:
Whatever you do, try your hardest. Even if you don't feel like you can complete or achieve something, you can, if you try your hardest!

- Alexa Schwab

I am looking forward to having more independence and more choices at the Middle School.

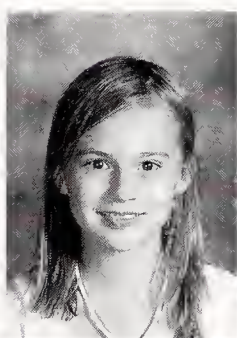

- Austin Topham

What I am looking forward to about the Middle School is playing on the RH soccer team and running cross country.

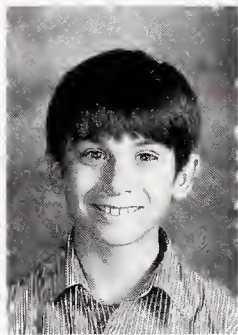

- Sage Nightingale

My favorite field trip was when we went to the Tracy Aviary in third grade. I loved seeing the eagles and the other birds and eating lunch in Liberty Park.
